The Porsche Cayenne is the kind of SUV that instantly feels special, blending iconic design with genuinely capable performance for everyday driving. With its confident stance and unmistakable presence, it's a practical family-ready 4x4 that still delivers that unmistakable Porsche feel behind the wheel. If you're looking for a high-quality SUV with character and performance, this Cayenne is a standout choice.

This example offers impressive practicality alongside its driving dynamics, making it well suited to everything from commuting to long weekends away. With its spacious cabin and versatile seating, it's comfortable for passengers and convenient for luggage, while the SUV format gives you a commanding view of the road in all conditions. At 182,600 miles, it represents the kind of well-used longevity that suits drivers who want to enjoy their vehicle rather than worry about it.

In terms of condition and history, we'll be happy to share the details with you, including service information and any previous ownership records available. If you'd like to see how it drives for yourself, please get in touch to enquire or arrange a viewing—our team will be glad to help and answer any questions you may have.
